Policy

Artistry has a limited amount of funds to provide scholarships to interested and qualifying individuals who wish to register for educational programs at Artistry, but are unable because of the cost. The Artistry Summer Camp Scholarship application is separate from Artistry’s regular catalog program scholarships. Artistry Summer Camps are open to children going into grades 1-9.

A child will qualify to receive scholarship assistance if their family’s income falls below the established qualifying guidelines which are determined in part by reference to the MN Department of Education’s Income Guidelines for the Free and Reduced Lunch programs for schools. Summer Camp Scholarships are available in an amount equal to no more than one half of tuition for a single camp, and are limited to **two** scholarships to any **one** registrant each summer. Additional children in the same household may utilize **two** scholarships per summer each. In addition, please remember that a scholarship can only be granted if funds remain in the Scholarship Fund for the current calendar year. Any reduced cost registration is dependent first upon approval of the scholarship by Artistry’s Education Manager.

HOW TO APPLY: Your first step is to complete this Application and submit it to Artistry by scanned form via email to info@artistrymn.org or by mail: Attention Education Program, at 1800 West Old Shakopee Road, Bloomington, MN 55431.
