Price and Payment Schedule

New York Arts Experience Tour prices are based on the number of occupants per room:

- Double Occupancy (per person) \$2,625
- Single Occupancy (per person) \$3,035

We cannot guarantee reduced prices for participants who choose to book their own flights (or make other travel arrangements) to and from New York City. The tour is priced as a package, and we must guarantee to Delta Airlines a certain number of roundtrip travelers. If and when we meet our minimum utilization, we will be happy to reduce the price of the trip for travelers who wish to make their own arrangements on a first come, first served basis, but we cannot guarantee any reductions.

Travelers may accumulate Delta frequent flyer miles for the New York trip, but frequent flyer miles may not be used to pay for the tickets or for any upgrades, e.g., to first class. Each traveler is allowed one carry-on bag up to the maximum size set by Delta. Travelers may check a bag at their own cost. We request that Delta seat our travelers with their spouses (when applicable) or other traveling companions, but we cannot guarantee that Delta will honor our request.

The price of the trip does not include incidental charges such as room service at the hotel. Restaurant gratuities are included for the meals at Le Rivage, the Glass House Tavern, and our third restaurant yet to be announced. Alcoholic beverages are available for purchase by travelers.

(continued)

A minimum deposit of \$500 per traveler will be charged to your credit card when you register, or you may pay your \$500 deposit by check with your registration form. This waiver shall extend to the broadest extent allowed by law under MINN. STAT. § 604.055. Should I choose to continue travelling following the conclusion of the Arts Experience, I fully recognize that the Arts Experience will have come to an end, and I voluntarily agree that I will be assuming all risks incidental to my continued travel."
